

User Stories about the project:

1. As an apartment resident, i want to have a condominium notice board, so that i have all the informatin about the condominium.
2. As a condominium administrator, i want to interact with all owners,so that i can orgainze meetings faster.
3. As an owner of an apartment, i want to know I'd like to know more about the new occupant, so that I can get an idea of how he will behave.
